Re: *Sanofi et. al. v. Sun et. al.* (oxaliplatin patent litigation), No. 3:07-03411 (consolidated into No. 3:07-02762)

Dear Judge Pisano:

We represent Sun Pharmaceutical Industries, Ltd. and Caraco Pharmaceutical Laboratories, Ltd. ("Sun/Caraco") in this action. This Court has confirmed, through its Orders of October 2, 2009 (docket entry No. 495) and March 1, 2010 (docket entry No. 597) that Sun/Caraco entered into an enforceable settlement agreement with plaintiffs Sanofi-Aventis U.S. LLC, Sanofi-Aventis, and Debiopharm, S.A. (collectively, "Sanofi"). Pursuant to the Sun/Caraco-Sanofi settlement documents, Sun/Caraco submitted a Findings of Fact and Consent Judgment and Order ("Consent Judgment") for entry on November 5, 2009 (docket entry 568-1). Sanofi thereafter responded (docket entry No. 571) by asking the Court to defer entry of the Consent Judgment, pending resolution of Sanofi's then-pending motion (docket entry No. 511) challenging the enforceability of the settlement documents.

The Court's March 1, 2010 Order (docket entry No. 597) disposes of Sanofi's motion (docket entry No. 511). Therefore, Sun/Caraco requests that this Court enter the previously submitted Consent Judgment (docket entry No. 568-1).

Respectfully,

/s/ Arthur L. Raynes
